**No matter what the collateral,
FICOR has you covered.**

"We do not believe in outsourcing American jobs. Our call center and 100% of our Data Processing is done in America."

Ken N. Schweitzer, President

[Click to Replay Flash Intro](#)

FICOR provides financial institutions, no matter what their size, with the opportunity to participate in lender insurance tracking programs and products that are normally only available to large institutions in metropolitan areas.

Collateral Protection Insurance - FICOR will provide your institution with the most thorough and innovative Insurance Tracking

Program in the marketplace today, eliminating 100% of the work previously assumed by the lender when fulfilling the requirement to provide insurance.

[more...](#)

Guaranteed Auto Protection (GAP) Coverage - Coverage for the difference between the amount financed and the depreciated

value of the collateral, paid by the insurance company in the event of catastrophic damage or theft.

[more...](#)

Flood Hazard Determination - Make sure you are adequately covered and comply with the National Flood Act of 1998 to avoid civil

penalties.

Why Choose FICOR ...

1 Service

FICOR provides the pinnacle in service unmatched in today's marketplace. Proactive cutting edge technology to on-going personal service, training, and support from individuals who care.

2 Reliability

Proven technology that integrates with your loan department to provide the soundness and ease of operation needed to not disrupt or irritate your borrowers.

3 Peace of Mind

FICOR provides lenders with the best products in today's marketplace, with insurance carriers that share FICOR's commitment to exemplary customer service.

“ We are most impressed with your level of personalization and your ability and willingness to be available . . . making us feel as if we are your most important client.

You and your team brought passionate expertise to the table to help us work through the issues to make our process more efficient, allowing us to provide a better lending experience to our Members.

“

I will continue to tell other credit unions about FICOR's ease of operation, and the availability for assistance when needed. My staff is very comfortable with your staff, and they seem to work through issues very quickly. The daily tracking operation moves very smoothly and the accounting is easy to complete. All of this adds up to a great service, which requires very little of my time or attention.
