**SURE-TRACK™**

From insurance tracking on all titled vehicles to Real Estate loans, Sure-Track™ is your one-stop software utility for all your insurance-tracking needs. Incredibly fast, secure and user-friendly, the Sure-Track™ software has been developed by professionals for professionals and is the result of many years of customer input. This state of the art software can be customized to meet your specific needs. Primarily designed for network administrators, this robust system is supported and maintained by FICOR at no cost to the end user.

As an option, Sure-Track™ can be used over the internet for greater productivity. Using a high-speed connection (e.g., DSL or faster), FICOR can administer your insurance department remotely, with all of your data accessible on [www.sure-track.com](http://www.sure-track.com).

**What Our Clients Say About Sure-Track™**

“ We are very pleased with the results we have gained by using the insurance and title tracking program provide by your company. Our insurance tracking had always been one of our weakest links in our credit union operations. Now we know on a daily basis, which of our members are lacking insurance coverage on their collateral loans. ”

District Two Highway Credit Union  
Macon, MO

“ I would recommend your company to anyone who is looking for an easier way to follow up on collateral insurance. It is virtually a worry free program. Solutions are only a phone call away and the follow-up your company provides is awesome! You are truly an asset to our operation. ”
